

Circular for IMEKO 60th GC meeting & 2017 International Seminar on Measurement

1-5 September 2017

Jiliang University, Hangzhou, P.R. China

Introduction

The International Measurement Confederation (IMEKO) will hold the IMEKO 60th GC meeting and related board meetings in conjunction with "2017 International Seminar on Measurement" in Hangzhou, China, from 1-5 September 2017. This seminar will feature a number of both international and national speakers and focus on the latest developments, current 'hot topics' and key challenging problems in the measurement and sensing fields. A key aspect of the Symposium is to promote international exchanges and cooperation in the field of measurement.

Organizer

International Measurement Confederation (IMEKO)

Chinese Society for Measurement (CSM)

Supporting Organization

Jiliang University of China

Zhejiang Provincial Administration of Quality and Technical Supervision (ZJBTS)

Registration & Visa Assistance

The meeting website will soon be available, or you can send your information (full name, date of birth, nationality, passport number, arrival date, departure date) to Mr. Guo Su, by email: guosu_aqsiq@163.com or fax: + 86 8463 9822 for registration and request invitation letter

Climate

The average temperature in Hangzhou is about 21 – 28 °C in September.

Currency and credit cards

The local currency is the Chinese YUAN and JIAO. Banknote denominations are 100, 50, 20, 10, 5, and 1YUAN and 5JIAO (0.5YUAN) and 1JIAO (0.1 YUAN). Major credit cards (Visa, Master card, etc.) are accepted in hotels and major department stores.

The exchange rate for 1 USD is about 6.9 YUAN.

Electricity supply

The mains power supply voltage in China is 220 – 240 VAC, 50/60Hz. Power plugs are of the 3 - pin type. 2 - pin power plugs are also used in some places.

Local time

Local time is GMT + 8 hours.
